President's News for March 2014

President Jerry Radke

The final results from our February 16 Pancake Breakfast showed that we served approximately 218 people with free-will offerings of \$1671 and expenses of 714.42 for a net profit of \$956.58. We ran out of almost everything so we will need more supplies for our Annual Pancake Day on April 27. The Vice Presidents are in charge of Pancake Day.

Eldon Weber, a member of the Ames Breakfast Lions Club, spoke to the Nevada Lions Club on March 12, 2014 about the Pizz-A-Thon that he organized to teach school aged children that our food comes from the soil. He asked our Lions for ideas to advance his program.

Zone Chairperson, Charlene Jarboe held a zone meeting in the Nevada Chamber of Commerce board room with members from four clubs attending. Lion Steve Halstead conducted an Officer Training for Presidents, Secretaries, and Treasurers so Loren Heckathorne and John Beals got some preliminary information for their new jobs.

The speaker for our March 26 meeting was Greg Baethke who spoke on his job as Industrial Technology Instructor at the Nevada High School.

Future Happenings

Election of Club Officers takes place in April. Normally, the PU-101 is due by May 15 but this year the State Office wants them by April 15 so the President, Secretary, Treasurer, and Membership Director can be included in the 2014-2015 Who's Who. This probably means that we should vote at our first meeting in April (April 9).

Our club will be working breakfasts for the ISU Food Service this summer for the Odyssey of the Mind from May 28 - June 1. Charlene Jarboe has volunteered to be the lead worker and will attend the required training session May 21 or 22. Four more Lions are needed to work the five mornings from 6:30 to 10 am. They can be different people each day. We stand to make \$756.88 for this work. It is too bad we don't have enough Lions to field a second team. We need to get more able-bodied members.

Our Annual Pancake Day is scheduled for Sunday, April 27. Our Vice-Presidents, Charlie Lloyd and Jayson Kingsbury are in charge. Charlene Jarboe has reserved Gates Hall for this event. Lions available to work need to let Charlie or Jayson know before the event.

For you Lions with upcoming programs, I know of a couple: one is Keith Morgan, Emergency Management Coordinator for Story County. See <http://www.storycountyiowa.gov/ema>

Thank Yous, etc.

Thank you to Susan Radke for her efforts in getting us the ISU Dining opportunity for the Odyssey of the Mind event May 28—June 1. Also to Charlene Jarboe for being our Lead Worker, arranging for Officer Training at her Zone Meeting, and her help with our Pancake Days.

Thank you to Jayson Kingsbury for his help picking up paper for our paper recycling project while Jim Fenn was on vacation.

Keith Morgan, Emergency Management Coordinator, Story County Emergency Management, 900 6th St., Nevada, IA 50201 515.382.7315 is available to present a program to our club on emergencies in Story county. Lions Niblock, Fenn, Beals, and Malsom need programs for our April and May meetings. If any of you need a program, here is one that you could contact. I may have some other suggestions as well. Let me know if you need a program.

We need more Lions Club members. Please **ASK** someone you know to join our group!

Please get your community activities for March to Loren Heckathorne so he can file our Activities Report by the end of the month.

Thank you to all of our dedicated Lions for your outstanding service, loyalty, and devotion to Lionism.
