President's News for Fall 2017

President Jerry Radke

We entered our Lions float in the Lincoln Highway Days Parade and had a good group of Lions setting up the float at Jim Fenn's home. Nine Lions were in the parade.

At our meeting on August 23rd, PDG Susan Radke inducted our two newest members: Mike Miller and Lisa Hartman. Terrence is Mike's sponsor and I am Lisa's sponsor. Welcome to our club Mike and Lisa!

We need to continue looking for club fund raisers. Our next scheduled fund raiser is a pancake breakfast in conjunction with Park and Rec's Breakfast with Santa in early December. ISU Dining doesn't have any opportunities until next May. At our last board meeting it was decided to try Peach sales next spring. It will test our sales abilities, but we'll be selling a quality product.

John has scheduled KidSight screenings for October 11 through 13. John still has a couple of slots open for this fall's screenings. Are any of our newer members interested in being trained on the camera?

Downtown Trick or Treat is scheduled for October 26 from 5 to 6:30 pm. We have agreed to help with Food at First at the Methodist Church on November 20.

Jerry Radke

Up-Coming Events

- December 13, 2017 — Dinner Meeting (Christmas Party, Tail Twisters)
- December 27, 2017 — No Meeting, Christmas Week

Nevada Lions Club

Recent Happenings

Dr. Naresh Aggarwal, LCI
President

John Beals has scheduled KidSight screenings for September 11 –13. He still has some openings for helpers. We need to see about getting some of our newer Lions trained to use the camera.

Jim and Terence have switched dates for their programs. Jim now has October 11 and Terence has October 25. Terence will give us a tour of Burke Corp.

At a recent board meeting it was decided to try selling peaches as a fund raiser next year. Jim Fenn is checking on Lions shirts for those Lions who would like to purchase them. Susan checked with ISU Dining for possible work and was told that the next opportunity would be next May. Susan also checked on getting magnetic name badges and brought two samples to the board meeting. The board decided on the smaller and cheaper of the two.

Bob has been doing an excellent job keeping track of our recycling project. He reported that the 39th load went out with 28,140 pounds for \$562.80 bringing the grand total to 1,369,120 pounds and \$25,118.85 since 2008. He thanks Mike and Jim for their work with the project.

Thank You, etc.

Thank you to Treasurer John Beals and 1VP Susan Radke with me for attending our Zone Meeting at the State Lions Office in Ames on September 8.

Thank you to Lions Bob Hunter, Mike Seaboch, and Jim Fenn for their work with our recycling project.

Thank you to Jim Fenn and Susan Radke for checking on the Lions shirts and the ISU Dining and magnetic badges..

Thank you to all of our dedicated Lions for your outstanding service, loyalty, and devotion to Lionism.

A very warm welcome to our newest members, Mike Miller and Lisa Hartman. I would like to see a net membership gain of five new Lions this year. If you see a good prospect be sure to ASK them to join. Younger members and female members are preferred.

With Thanksgiving and Christmas coming up we will be skipping a couple of meetings. We need to make the most of the meetings we have left this calendar year. Our opportunities include the Downtown Trick or Treat, Food at First service, and the Pancake Breakfast with Santa.

Happy Thanksgiving!

Merry Christmas!
